

Asset Management & Investment Funds - Monthly update - August 2025

Hello and welcome to the A&L Goodbody soundbite series. My name is Nollaig Greene and I am a Knowledge Lawyer in the Asset Management & Investment Funds team. I'm going to summarise our August 2025 regulatory bulletin.

In it we cover both Irish domestic developments and EU developments relevant to the Asset Management & Investment Funds space. You can find more detail in our monthly bulletin on our website.

On the domestic side we look at, a list of deadlines, the Department of Finance's consultation on the Ireland for Finance Strategy 2026 to 2030. And the Central Bank of Ireland has been designated a market surveillance authority for the purposes of the EU's AI Act.

In EU & International Developments we look at, the ESA's updated consolidated Questions and Answers on the Sustainable Finance Disclosure Regulation, the IMF's financial sector assessment program note on Euro area investment funds regulation, supervision and systemic risk monitoring. And in AML/CFT, the European Banking Authority published its 2025 opinion on ML/TF risks affecting the EU's financial sector.

And that's our August 2025 summary. My email address is ngreene@algoodbody.com, that's ngreene@algoodbody.com. Thank you.
