

Asset Management & Investment Funds - Monthly update - June 2025

Hello and welcome to the A&L Goodbody soundbite series. My name is Nollaig Greene and I am a Knowledge Lawyer in the Asset Management & Investment Funds team. I'm going to summarise our June 2025 regulatory bulletin.

In it we cover both Irish domestic developments and EU developments relevant to the Asset Management & Investment Funds space. You can find more detail in our monthly bulletin on our website.

On the domestic side we look at a list of deadlines.

In EU & International Developments we look at, amendments to the EU benchmarks regulation, an IOSCO report and guidance on liquidity risk management for collective investment schemes, ESMA principles on the supervision of third-party risks, AIF exposures to commercial real estate, an ESMA letter to social media companies about unauthorised financial advertisements, an ESMA newsletter and AML/CFT high-risk third countries.

And that's our June 2025 summary. My email address is ngreene@algoodbody.com, that's ngreene@algoodbody.com. Thank you.
