

Asset Management & Investment Funds - Monthly update - October 2025

Hello and welcome to the A&L Goodbody soundbite series. My name is Nollaig Greene and I am a Knowledge Lawyer in the Asset Management & Investment Funds team. I'm going to summarise our October 2025 regulatory bulletin.

In it we cover both Irish domestic developments and EU developments relevant to the Asset Management & Investment Funds space. You can find more detail in our monthly bulletin on our website.

On the domestic side we look at, a list of deadlines and key dates, a Central Bank of Ireland speech, the implementation plan for Funds sector 2030, the budget for 2026, and new AML regulations concerning the Beneficial Ownership of Trusts.

In EU & International Developments we look at, savings and Investment Union developments, ESMA's Work Programme for 2026, the SFDR Level 1 review which is now expected on 19 November 2025, the de-prioritising of some Level 2 financial services legislation, and finally, T+1 and the Central Securities Depositories Regulation.

And that's our October 2025 summary. My email address is ngreene@algoodbody.com, that's ngreene@algoodbody.com. Thank you.
