

Asset Management & Investment Funds - Monthly update - September 2025

Hello and welcome to the A&L Goodbody soundbite series. My name is Nollaig Greene and I am a Knowledge Lawyer in the Asset Management & Investment Funds team. I'm going to summarise our September 2025 regulatory bulletin.

In it we cover both Irish domestic developments and EU developments relevant to the Asset Management & Investment Funds space. You can find more detail in our monthly bulletin on our website.

On the domestic side we look at, a list of deadlines, a Central Bank of Ireland consultation on the AIF Rulebook, a Central Bank of Ireland consultation on the UCITS Regulations and performance fee guidance, updated application form and website guidance for the ELTIF Authorisation Process, and a Central Bank of Ireland Markets Update.

In EU & International Developments we look at, the European Supervisory Authorities' annual report on voluntary principal adverse impacts disclosures under the SFDR, a European Parliament report on the Savings and Investments Union and Capital Markets Union, ESMA's second risk monitoring report of 2025, and more progress towards T+1.

And that's our September 2025 summary. My email address is ngreene@algoodbody.com, that's ngreene@algoodbody.com. Thank you.
