# DORA QUICK LINKS:

## TECHNICAL STANDARDS AND GUIDELINES

This document provides links to the suite of finalised technical standards and joint guidelines that have been issued by the European Supervisory Authorities (**ESAs**) under the Digital Operational Resilience Act (**DORA**).

DORA applied from **17 January 2025**.

## TECHNICAL STANDARDS

Following their adoption by the European Commission, eight sets of regulatory technical standards (**RTS**) and two sets of implementing technical standards (**ITS**) were published in the Official Journal on various dates between 25 June 2024 and 2 July 2025 in the form of Commission Delegated Regulations and Commission Implementing Regulations. The RTS and ITS can be accessed at the following links.

- [RTS on ICT risk management framework and simplified ICT risk management framework](#)
- [RTS to specify the policy on ICT services supporting critical or important functions provided by third party service providers](#)
- [RTS for the classification of ICT related incidents and cyber threats](#)
- [ITS specifying standard templates for the register of information on contractual arrangements](#)
- [RTS on harmonisation of conditions enabling the conduct of oversight activities](#)
- [RTS on reporting major ICT related incidents and notifying significant cyber threats](#)
- [ITS on reporting major ICT related incidents and notifying significant cyber threats](#)
- [RTS on the criteria for determining the composition of the joint examination team](#)
- [RTS on threat-led penetration testing](#)
- [RTS on subcontracting ICT services supporting critical or important functions](#)

## JOINT GUIDELINES

On 6 November 2024 and 5 June 2025, the ESAs published two sets of joint guidelines, which can be accessed at the following links.

- [Joint guidelines on oversight cooperation and information exchange between the ESAs and competent authorities](#)
- [Joint guidelines on the estimation of aggregated annual costs and losses caused by major ICT related incidents](#)
